EMPLOYMENT

WASHINGTON UNIVERSITY IN ST. LOUIS (POLITICAL SCIENCE)

2023–	Professor
2020–2024	Director of Data Science Training
2017–2023	Associate Professor
2011–2017	Assistant Professor

WASHINGTON UNIVERSITY IN ST. LOUIS (OTHER)

2022–2024	Founding Director, Transdisciplinary Institute in Applied Data Sciences, School of Arts & Sciences
2020–2023	Director of The American Social Survey (TASS), Weidenbaum Center on the Economy, Government, and Public Policy
2018–2025	Track Chair, Division of Computational Data Sciences

EDUCATION

2011	DUKE UNIVERSITY Ph.D., Political Science
2009	DUKE UNIVERSITY M.S., Statistical Sciences
2004	VICTORIA UNIVERSITY OF WELLINGTON B.A. (Honors), Political Science
2002	WAKE FOREST UNIVERSITY (<i>Summa Cum Laude</i> , <i>Phi Beta Kappa</i>) B.A., Mathematical-Economics and Political Science (Honors)

PUBLICATIONS

Refereed Journal Publications

Kim, Dahjin, Taishi Muraoka, Christopher Lucas, Jacob Montgomery, and Margit Tavits. Forthcoming. “Polarization but Not Populism Strengthens the Association Between Presidential Election Results and Emotions.” *Political Science Research and Methods*. <https://doi.org/10.1017/psrm.2025.22>

Park, Ju Yeon and Jacob M. Montgomery. Forthcoming. “Towards a Framework for Creating Trustworthy Measures with Supervised Machine Learning.” *Political Science Research and Methods*. <https://doi.org/10.1017/psrm.2025.10042>

ADDITIONAL WORK

Public reports

“Fake news, Facebook ads, and misperceptions: Assessing information quality in the 2018 U.S. midterm election campaign.” With Andrew Guess, Benjamin Lyons, Brendan Nyhan, and Jason Reifler. Report prepared for the Democracy Fund.

Papers under review

“One Language is Enough: Using Transfer Learning to Detect Populist Rhetoric Across 25 Languages Without Translation.” With Cecilia Sui, Soyeon Jeon, Christopher Lucas, and Margit Tavits.

“Encoding Structure and Flexibility: A Gaussian Process Approach to Modeling Dynamic Political Data.” With Annamaria Prati, Yehu Chen, Jacob Montgomery, and Roman Garnett.

Papers in preparation

“GD-GPIRT: A Generalized Dynamic Gaussian Process Model for Item Response Theory with Longitudinal Observations.” With Yehu Chen and Roman Garnett.

“The Emotional Architecture of Populism: The Divergent Effects of Anti-Elite and People-Centric Frames.” With Ruilin Lai, Christopher Lucas, and Margit Tavits.

“Visual Cues of Gender and Race are Associated with Stereotyping in Vision-Language Models.” With Messi H.J. Lee, Soyeon Jeon, and Calvin K. Lai.

“Preregistration as Cheap Talk: The Strengths and Limits of Self-Enforcing Plans in Scientific Research.” With Zion Little and Keith Schnakenberg.

GRANTS

External grants

2023 Carnegie Foundation. *Proposal Title*: The Role of International Cooperation in Combating the Populist Threat to Democracies. (\$330,000) PI with Christopher Lucas (Co-PI) and Margit Tavits (Co-PI).

2022	National Science Foundation, Security and Preparedness. <i>Proposal Title:</i> HNDS-R: Populist Rhetoric on Social Media and Its Effects on Democracies. (\$571,005) PI with Christopher Lucas (Co-PI) and Margit Tavits (Co-PI).
2020	National Science Foundation, Accountable Institutions and Behavior. <i>Proposal Title:</i> DDRIG: When Does Interparty Conversation Harm or Heal Affective Polarization? (\$23,298) Co-PI with Erin Rossiter.
2018	Democracy Fund. (\$8,500)
2016	National Science Foundation, Methodology, Measurement, and Statistics. <i>Proposal Title:</i> Computerized Adaptive Testing for Public Opinion Research (\$291,644)
2010	National Science Foundation Dissertation Improvement Grant <i>Proposal Title:</i> The Causes, Consequences, and Measurement of Perceived Political Control. (\$12,000) Co-PI with John Aldrich.

Internal grants

2026	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$9,365)
2026	Pre-test Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$1,500)
2025	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$10,000)
2023	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$11,254)
2021	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$10,000)
2021	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$10,000)
2020	Postdoctoral Research Fellowship Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$118,935)
2020	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$3,500)
2018	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$5,000)
2017	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$10,000)
2014	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. (\$30,000)

2013	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis (\$8,000).
2012	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis (\$7,500).
2011	Faculty Research Grant, Murray Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis (\$5,500).

FELLOWSHIPS AND AWARDS

2026	Graduate and Professional Student Council (GPSC) Outstanding Faculty Award, Washington University in St. Louis
2025	Winner, Teaching Innovation Showcase, Arts & Sciences Office of Interdisciplinary Initiatives and Innovation.
2024	Warren Miller Prize for best work appearing in <i>Political Analysis</i> the preceding year, Society for Political Methodology
2021	Honorable Mention, APSA Political Communication Section Walter Lippmann Best Published Article Award.
2020	Emerging Scholar Award from the Society for Political Methodology honoring a young researcher, within ten years of their degree, who is making notable contributions to the field of political methodology.
2017	Hahn-Sigelman prize for the best article published in <i>American Politics Research</i>
2015	Political Ties Award for best paper, Political Networks Section of APSA
2010	Robert K. Steel Family Graduate Fellowship
2007–2010	National Science Foundation Graduate Research Fellow
2009	Robert R. Wilson Graduate Fellow in American Politics
2005	Jaffrey Endowed Fellowship
2003	Rotary Ambassadorial Scholar
2002	Jack D. Fleer Award for Excellence in Honors in Political Science
1998–2002	Wake Forest University Reynolds Scholar

PUBLIC TALKS AND CONFERENCE PARTICIPATION

Invited talks, small conferences, and workshops

March 2026	Invited Talk, “A Gaussian Process Framework for Structured, Flexible, and Interpretable Machine-Learning Models.” University of Wisconsin.
------------	--

- February 2026 Invited Talk, “Bayesian Nonparametric Measurement with Gaussian Processes: From Static to Dynamic Item Response Theory.” Washington University Department of Statistics and Data Science.
- September 2025 Keynote Speaker, “Second-Best By Design: Social Media Rules that Strengthen Democracy, Even in its Decline..” TILEC Workshop on Economic Governance of Social Media.
- December 2024 Invited Talk, “A Gaussian Process Framework for Structured, Flexible, and Interpretable Machine-Learning Models.” California Institute of Technology.
- April 2024 Invited Talk, “Does the Closeness of the U.S. Presidential Election Shape Where College Students Register to Vote?” Wake Forest University Department of Political Science.
- March 2024 Invited Talk, “Speaking Their Language?: Descriptive Representation of Language Constituencies in Global Democracies.” Ohio State University Department of Political Science.
- March 2024 Invited Talk, “Speaking Their Language?: Descriptive Representation of Language Constituencies in Global Democracies.” Vanderbilt University Political Science Methods Workshop.
- February 2024 Invited Talk, “Speaking Their Language?: Descriptive Representation of Language Constituencies in Global Democracies.” Emory University Quantitative Theory & Methods Seminar.
- October 2023 Panel Organizer, “Generative AI and Health”, Digital Health and AI Summit, Washington University in St. Louis
- February 2021 Invited Talk, “Inferring Concepts from Topics: Towards Procedures for Validating Topics as Measures”, UC Davis Department of Political Science.
- October 2019 Invited Talk, “How Conditioning on Post-Treatment Variables Can Ruin Your Experiment and What to Do About It,” WUSTL Psychological and Brain Sciences Brown Bag.
- August 2019 Invited Talk, “Ends Against the Middle: Scaling Votes When Ideological Opposites Behave the Same for Antithetical Reasons,” University of Georgia, Department of Political Science Speaker Series.
- May 2019 Invited Talk, “Ends Against the Middle: Scaling Votes When Ideological Opposites Behave the Same for Antithetical Reasons,” Stanford Political Methodology Workshop organized by Justin Grimmer.
- March 2019 Invited Talk, “Ends Against the Middle: Scaling Votes When Ideological Opposites Behave the Same for Antithetical Reasons,” MIT Methods Speaker Series organized by Teppei Yamamoto
- February 2019 Invited Talk, “Does the Closeness of the U.S. Presidential Election Shape Where College Students Register to Vote?” Koc University (Istanbul)

- June 2018 Small conference, “Computerized Adaptive Testing for Public Opinion Research,” The International Total Survey Error Workshop (ITSEW), Workshop on Approaches for Mitigating Total Survey Error (TSE) and Its Effects.
- December 2017 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” Speaker Series, Texas A&M University.
- November 2017 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” Speaker Series, University of Illinois.
- April 2016 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” New York Area Methods Meeting, Organized by Jonathan Nagler, New York University.
- March 2016 Invited talk, “Report on Adaptive Personality Inventories Measuring Need for Cognition and Need to Evaluate,” American National Election Study Advisory Board, Stanford University.
- March 2016 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” Department of Political Science Methods Speaker Series, Organized by Kosuke Imai, Princeton University.
- February 2016 Invited speaker, “Congressional Staff and the Extended Party Network in the U.S. House of Representatives,” Legislative Studies Virtual Workshop, Organized by Nate Monroe and Jason Roberts, APSA Section on Legislative Studies.
- November 2015 Invited talk, “Funneling the Wisdom of Crowds: The **SentimentIt** Platform for Human Computation Tasks,” Text-as-data Speaker Series, Organized by Arthur Spirling, New York University.
- August 2015 Invited talk, “Moving the Unmoved Mover: Individual-Level Sources of Systematic Change in Party Identification,” Department of Political Science, Duke University.
- May 2015 Invited speaker, “Congressional Staff and the Extended Party Network in the U.S. House of Representatives,” Conference Celebrating the Center for Political Institutions and Public Choice, Organized by David Rohde, Duke University.
- May 2015 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” Math & Social Sciences (MSS) Program Speaker Series, Organized by Michael Herron, Dartmouth College.
- May 2015 Invited discussant, “Conference on Ideal Point Models,” Organized by Chris Warshaw, Devin Caughey, Bret Hanlon, Stephen Jessee, Alex Tahk, and Teppei Yamamoto, Massachusetts Institute of Technology.
- January 2015 Invited talk, “Computerized Adaptive Testing for Public Opinion Research,” Department of Political Science, University of Chicago, January 2015.
- June 2013 Conference participant, “Does Public Financing Affect Judicial Behavior? Evidence from the North Carolina Supreme Court”, Political Economy and Public Law Conference (PEPL), Organized by Andrew Martin and John Patty, Center

for New Institutional Social Science and the Center for Empirical Research in the Law at Washington University Law School.

- April 2012 Invited presenter, “Computerized Adaptive Testing for Public Opinion Research,” St. Louis Area Methods Meeting (SLAMM), Organized by Jeff Gill, Washington University in St. Louis.
- October 2011 Invited presenter, “Connecting the Candidates: Consultant Networks and the Diffusion of Campaign Strategy in American Congressional Elections,” American Politics Conference, Organized by Adam Berinsky, Department of Political Science, Massachusetts Institute of Technology.

Major Conference Presentations

- Annual Meeting of the American Political Science Association (2010–2012, 2014–2020, 2022–2025)
- Paper, Annual Summer Meeting of Society for Political Methodology (2012–2013, 2016, 2019, 2020, 2022, 2024, 2025)
- Annual Meeting of the Midwest Political Science Association (2007–2016, 2022–2024)
- Annual Meeting of the Southern Political Science Association (2006, 2026)
- Latin American PolMeth (2020, 2022, 2024)
- Asian Methods Meeting (2015, 2017, 2026)
- Annual Meeting of the European Political Science Association (2023)
- Annual Meeting of the American Association for Public Opinion Research (2013, 2019)
- Political Networks Conference (2010, 2016)
- Annual Meeting of the Public Choice Society (2009)

TEACHING

Washington University in St. Louis

- 2025 The Politics of Technology and the Technology of Politics
— Featured in [The Source](#)
- 2017–2025 Quantitative Political Methods II
- 2021–2023, 2025 Data Science for Politics
- 2014, 2016–2018, 2022 Applied Statistical Programming
- 2017–2021 Math For Political Science (“Math Camp”)

2021	Digital Politics, Social Media, and Misinformation
2020	Political Data Science
2011-2013, 2016, 2017	Quantitative Political Methodology
2013, 2016	Measurement and Latent Trait Models (PS 539)
2011, 2013	American Political Parties
2012	Experimental Politics
