PROFILE

Jacob Montgomery is Professor of Political Science at Washington University in St. Louis, where he develops advanced statistical and machine learning methods and applies them to the study of political behavior, public opinion, and the societal implications of new technologies. His research appears in leading social science journals (*PNAS*, *APSR*, *AJPS*, *Political Analysis*) and premier computer science venues (NeurIPS, FAccT, IMC). He is the author of more than 40 peer-reviewed articles and conference papers, a recipient of the Warren Miller Prize for best paper in *Political Analysis* and the Emerging Scholar Award from the Society for Political Methodology, and has secured over $1.2 million in external funding from the National Science Foundation and private foundations.

Google Scholar (October 2026): 5,497 total citations · *h*-index: 26 · *i*10-index: 36

EMPLOYMENT

WASHINGTON UNIVERSITY IN ST. LOUIS

2023–	Professor of Political Science
2022–2024	Founding Director, Transdisciplinary Institute in Applied Data Sciences (TRIADS)
2017–2023	Associate Professor of Political Science
2011–2017	Assistant Professor of Political Science

EDUCATION

2011	Ph.D., Political Science, DUKE UNIVERSITY
2009	M.S., Statistical Sciences, DUKE UNIVERSITY
2002	B.A., Mathematical-Economics and Political Science, WAKE FOREST UNIVERSITY

RESEARCH EXPERTISE

AI & Computational Social Science · American Politics · Machine Learning & Bayesian Methods · Misinformation & Online Political Communication · Natural Language Processing & Computer Vision · Survey Methods & Adaptive Measurement

Selected Grants

2023	Carnegie Foundation. *The Role of International Cooperation in Combating the Populist Threat to Democracies.* ($330,000) PI with Christopher Lucas and Margit Tavits.
2022	National Science Foundation. *Populist Rhetoric on Social Media and Its Effects on Democracies.* ($571,005) PI with Christopher Lucas and Margit Tavits.
2016	National Science Foundation. *Computerized Adaptive Testing for Public Opinion Research.* ($291,644)

Selected Fellowships & Awards

2024	Warren Miller Prize, best paper in *Political Analysis*, Society for Political Methodology.
2020	Emerging Scholar Award, Society for Political Methodology.
2015	Political Ties Award, best published article, Political Networks Section of APSA.

Mentorship & Teaching

Dissertation committee chair or co-chair for 15 PhD students (6 current); committee member for 23 additional students; co-authored with 24 current or former students. Teaches graduate and undergraduate courses in quantitative methods, machine learning, and American politics; recipient of the 2025 Teaching Innovation Showcase Award and the 2026 Graduate and Professional Student Council Outstanding Faculty Award.

Service

Vice President, Society for Political Methodology (current); Program Chair, SPM Annual Meeting (2026); Organizer, SPM Annual Meeting (2022); Section Head, APSA (Political Methodology, 2015; Political Networks, 2017); Grant Review Panelist, NSF. Editorial boards: *American Political Science Review*; *Political Analysis*; *American Journal of Political Science*.
